ADVANCE YOUR CAREER WITH A MASTERS DEGREE

MSc Business with International Management

This programme prepares you for global business success. You'll develop advanced leadership, strategy, and management skills with a strong international perspective, perfect for ambitious graduates aiming for roles in multinational companies or entrepreneurship.

English language requirements:

IELTS 6.0, with no single element below 5.5

Starts: January, May, September

Duration: 1 year
(up to 2 years with advanced practice)

Mode of study: Full-time classroom

Entry requirements: Minimum 2:2 honours degree from a UK university or equivalent. Professional qualifications may also be accepted.

MSc Artificial Intelligence Technology

This programme is focused on developing your abilities as a digital leader. Develop an understanding of the design, development and testing of software using AI, whilst using cloud-based platforms such as Google Cloud or AWS. Setting you up with in-demand skills to work in a range of roles in the IT industry.

English language requirements:

IELTS 6.5, with no single element below than 5.5, or equivalent

Starts: January, May, September

Duration: 1 year
(up to 2 years with advanced practice)

Mode of study: Full-time classroom

Entry requirements: Minimum 2:2 honours degree, or equivalent in any subject.

DISCOVER BIRMINGHAM

One of the UK's most vibrant cities and the hub of culture, business, and innovation. With a diverse community, green spaces, and excellent transport links, Birmingham offers everything students need for a rewarding academic and social experience.

AFFORDABLE LIVING

Birmingham combines a high quality of life with great value for money. From reasonably priced accommodation and transport to affordable dining and entertainment, students can enjoy a vibrant lifestyle without stretching their budget.

BIRMINGHAM CENTRE

Situated in the heart of Birmingham, QA Higher Education's study centre brings together several university partners and offers a supportive learning environment with shared study spaces, all within easy reach of cafés, shops, and major employers.
